

# WITHDRAW THE SALES PERMIT AND STOP THE EXTRA TRUCKS!

**DUNWICH TOWNSHIP WILL HAVE HUNDREDS OF EXTRA TRUCKS GOING THROUGH IT EVERY DAY, IF THE PROPOSAL TO TAKE SAND FOR CONSTRUCTION OFF THE ISLAND GOES AHEAD.**

## The situation:

- Under the Forestry Act, Stradbroke's sand is owned by the Crown – the government.
- Last year, the State Government, without any public consultation, secretly granted CRL a permit to sell the sand – subject to council approval.
- Without that permit, CRL could not have made a development application to Redland City council to sell the sand.
- In August, Redland City Council unanimously rejected CRL's sand export proposal and supported the people of North Stradbroke.
- But the State Government continues to support CRL and has not withdrawn the sales permit, allowing CRL to take the Council to court.
- Without the State Government sales permit, the expensive Court appeal would collapse.
